Foresight on Open Science: Expert panel workshop prior to NL Presidency Conference on Open Science (4 & 5 April, Amsterdam)

Location:, Royal Netherlands Academy of Arts and Sciences, Amsterdam, 4 April 9-12 hrs

Objective:

To inform 5 Tracks on the conference Open Science conference with a Foresight vision what Open Science Policy achieve beyond the 2020 ambitions of the European Commission, and to inform the European Commission on long(er)-term Open Science ambitions

Rationale:

Invited Experts will comment in a round table discussion with a foresight informed view on what policy could achieve beyond the 2020 ambitions of the Commission (these 8 ambitions are stated below in Annex).

Experts are invited to comment on one of the 8 specific ambitions with short 5 minute statements, which will be followed by a round table discussion whereby all experts can make comments. Conclusive/remarkable statements will be recorded and a one-two pager which will be prepared for distribution at the 5 parallel tracks on the Conference ('Amsterdam Action Agenda', the tracks correspond to the EC open science agenda*: (e.g impact-Evaluation, involvement, infrastructures, innovation and information sharing)*

Background documents on the 2020 Commission Ambitions are attached.
